

WINDWALKER

ENTERPRISES LTD.

Oil Patch Survivor Since

1998

Dear Valued Customer;

I am pleased to present you with this WindWalker package.

As a small to medium sized business, we pride ourselves on our abilities; from our valued personnel, very well maintained equipment, to our absolutely perfect safety record; we feel that we are one of the best Oilfield and Highway hauling firms in Alberta today.

As you may well appreciate; to maintain a record of our quality cost a substantial amount. While we are not the most expensive hauling firm, we are not the least expensive either. We strive to have every job completed in a timely manner, in the most efficient and safest way possible, ensuring Customer satisfaction.

Please feel free to read through this document; and if you have any questions contact us at our office, twenty four hours a day, and seven days a week.

Remember; WindWalker, a step above.

Sincerely,

A handwritten signature in black ink, appearing to read "Ed Fenn".

Dear Sir or Madam:

Re: WINDWALKER ENTERPRISES LTD.
PO BOX 1585 STN MAIN
WHITECOURT AB T7S1P4

The above named subcontractor has an account with the WCB - Alberta in the following industry(ies):

account	trade name(s)/industry	effective date	coverage
4188257	OILFIELD & BULK CEMENT HAULING	Jun 23, 2000	worker coverage no personal coverage

Please accept this letter as a clearance for this subcontractor under Section 126 of the Workers' Compensation Act, for work completed between the effective date of the account and the date of this letter, for the industry(ies) listed. If the subcontractor's account is closed, the clearance is effective for work done up to the close date. If work has not yet begun, obtain a clearance prior to releasing final payment.

Section 126 states that you have a responsibility to ensure that your subcontractors' accounts are in good standing. To ensure this clearance has been issued for the correct subcontractor, please verify the subcontractor's address and industry information listed above.

Any holdback on this account may be released for contracts completed, or for work completed to the date of this letter.

If the subcontractor is performing work for you outside Alberta, contact the WCB in that jurisdiction to determine your clearance and other WCB requirements.

Any alteration of this document is strictly prohibited and subject to a penalty up to \$5,000 on the first offense and \$5,000 for each additional offense, up to a maximum \$25,000.

Yours Truly,

eBusiness Support Team (6587878)

COMPANY SAFETY POLICY

WindWalker Enterprises Ltd. is committed to the protection of their largest resource, their employees; from incidents, accidents, loss of resources and protection of the environment.

In fulfilling this commitment, Management will strive to provide, maintain and exceed in establishing a safe, healthy work environment in accordance with industry standards and in compliance with legislative requirements. The company will also do all in our control to help eliminate foreseeable hazards, incidents, accidents, and loss of our resources from occurring.

All employees and or contractors will be equally responsible for minimizing hazards, incidents or accidents within our workplace whether it be in the office, shop, truck, or on a jobsite location.

Remember: Safety First

Safe work practices, procedures, J.S.A's, etc. are available to all employees and contractors at any time. These safety practices are clearly defined in our Safety Manual for all to adhere to.

Incidental and accidental loss can be controlled through good management in combination with active employee involvement. Safety is the direct responsibility of all Managers, Supervisors, and Employees. The safety information in this policy does not supersede the Occupational Health & Safety Act, Federal Regulation, N.S.C. regulation and the Criminal Code of Canada. All employees and contractors should be familiar with these acts and all management will comply with these same rules in all aspects of planning, operation and maintenance of equipment and facilities.

All Employees and Contractors will perform their jobs properly, and in accordance with established procedures and safe work practices.
